Section IX.02 Administration of Test

The Director of Officials, any LHSPLA Regional Assignment Secretary, or any certified official appointed by the Director of Officials, either at an LHSPLA Rules/Coaches Clinic or at a designated time prior to the start of any sanctioned Invitational Meet, will administer said test.

Section IX.03 Upon Passing the Test

Upon passing the written test, a prospective official must then sit for their practicum at a sanctioned Invitational Meet. While completing their certification practicum, a prospective official must be mentored by a certified LHSPLA Official during the process. A passing score on the meet practicum completes the LHSPLA certification process. Any prospective official that completes the certification process at a sanctioned Invitational is entitled to be paid a \$35.00 stipend. The certified official will not be paid travel allowance for that sanctioned meet. If a school hosts an unsanctioned Invitational Meet, it cannot utilize LHSPLA Officials in proper dress, conduct testing, and must pay for the officials it engages to officiate the unsanctioned meet.

Officials must commit to work at any LHSPLA sanctioned meet by the Wednesday before a meet to help with the process of setting a meet work schedule and attaining lodging for them. If an official misses the Wednesday deadline for the meet director to set-up lodging for them, they become financially responsible for their own lodging. It will be left up to the discretion of the Director of Officials and the Regional Assignment Secretary in charge of staffing a meet whether or not to supply lodging for any official traveling less than 150 map miles to officiate at a sanctioned meet.
